

A Practical, People■First Plan

Focus: Accountability • Affordability • Opportunity • Community

Mission

Deliver open, efficient, people■first government—focused on accountability, affordability, and opportunity.

Priorities

- Lower Everyday Costs — remove avoidable fees; streamline processes that raise prices; use competition smartly.
- Lower Housing Costs — predictable, timely approvals; encourage safe supply; protect renters and homeowners.
- Better Jobs — employer■aligned training; practical small■business help; local supplier development.
- Strong Borders — secure, orderly, lawful management; targeted enforcement; efficient case handling.
- Protect Children — zero tolerance for exploitation; lawful transparency; victim■centered supports.

How We Work

- Publish schedules, budgets, and meeting notes in plain language.
- Set metrics and report results on a public dashboard.
- Hold regular office hours in person and online.
